Furniture Guide

Kendall *bedroom collection*

Expertly crafted and extremely versatile, this extensive collection lets you create a bedroom that grows with your child and lasts for many years.

style

The Kendall Collection captures the heart of Craftsman style, with simple lines that highlight the beauty of the wood.

construction

Framed in solid wood, each piece has authentic Craftsman details, including square posts and finials, wide planks, and simple, sturdy knobs.

finish

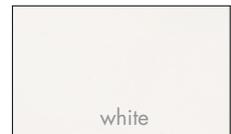

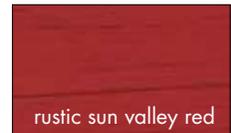

Our exclusive finish is achieved through a multi-step process that highlights the warmth of the wood.

Kendall Bed

The bed is built with solid wood squared posts and simple Craftsman style. A two-setting hook-rail construction and sturdy slat-roll system enable the bed to be used with or without a box spring. Twin and Full sizes. Assembly required.

Kendall Bunk Bed

Perfect for kids who share a room, our Kendall Bunk Bed is beautifully built with solid wood posts and classic Craftsman-inspired styling. When kids get older, it can be reassembled as two twin beds; an extra finial set is included for the headboard. Comes with two guardrails and a ladder that can be attached on either side. Assembly required. The Consumer Product Safety Commission recommends that top bunks not be used for children under six years of age.

Kendall Dresser & Changing Table Topper

Invest in nursery furniture that grows with your child by choosing our changing table topper and dresser. When the time comes, simply remove the topper to create a big-kid dresser for clothing and storage. The topper has a felt bottom to protect the dresser's finish, and comes with a safety belt. For more storage, choose the Extra-Wide Kendall Changing Table and Topper. Assembly required.
