PRE-ASSEMBLY

- Please read all instructions carefully before beginning assembling.
- Remove all parts and hardware from the box and lay out on a clean, carpeted, or scratch-free work surface, as this will avoid damaging any parts during assembly. The shipping box provides an ideal work surface. Do not dispose of any contents until assembly is completed to avoid accidentally discarding small parts or hardware.
- We recommend adult assembly by two people for your safety.

PARTS INCLUDED:

(A) Shelf – 1pc

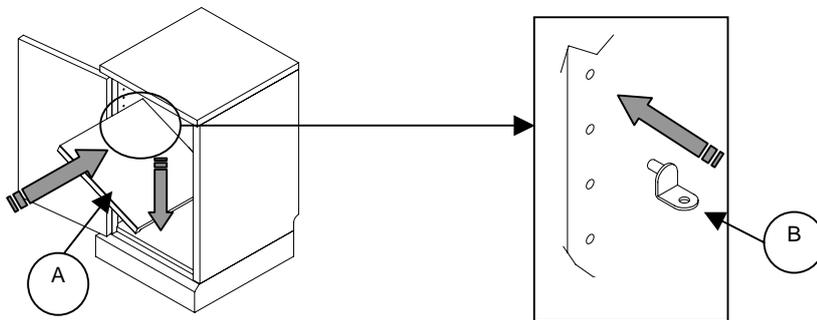

HARDWARE ENCLOSED:

(B) Shelf Pegs – 4pcs

If the floor is not perfectly even, the furniture may not sit level causing it to wobble. If the piece wobbles, determine which corner does not touch the ground correctly. With two people follow these steps:

- Carefully elevate the item slightly to provide access to the levelers attached to the bottom.
- Turn the levelers in an counter-clockwise direction.
- Gently set down the piece and check stability.
- Repeat steps until the furniture sits firmly on the ground.

CARE INSTRUCTIONS:

- Use a soft dry or slightly damp cloth to clean periodically.
- To protect the finish always avoid the use of chemical and abrasive cleansers.
