Important Safety Instructions:

- Please read all instructions carefully before assembling.
- For your safety, assembly by two or more adults is strongly recommended.
- Keep these instructions for future use.
- Use only vendor-supplied hardware to assemble this item. Using unauthorized hardware could jeopardize the structural integrity of the item.

Pre-assembly:

- Remove all parts and hardware from the box. Place all items on a carpeted or scratch-free work surface, as this will avoid damaging parts during assembly. The shipping box provides an ideal work surface.
- To avoid accidentally discarding small parts or hardware, do not dispose of any packaging or contents of the shipping carton until assembly is complete.
- Use the parts and hardware lists below to identify and separate each of the pieces included.
- The illustrations provided allow for easier assembly when used in conjunction with the assembly instructions.
- The use of power tools to aid in assembly is not recommended. Power tools can damage the hardware and split the wood.
