wood finishes

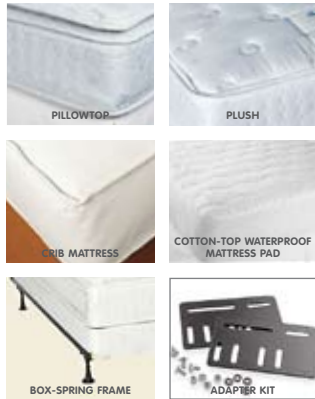

Did you know that you can mix and match the finishes of our furniture collections? That's because we use the same base color – applied in multiple layers by hand – to create the look of our regular, Sun Valley and Rustic Sun Valley finishes. So if you want to combine a Honey bedside table with a Sun Valley Honey bed or a Rustic Sun Valley Honey dresser, you can be assured that they'll coordinate perfectly.

If you have a question about samples or any of our finishes, call one of our Care Center Associates at 800.430.7373 to get firsthand feedback, detailed information and more.
