## U CHAIR

Your U Chair ships in two boxes. The slipcover is shipped separately from the interior components. These assembly instructions assume you have received BOTH the slipcover and interior parts.

### PARTS INCLUDED:

- U-shaped foam insert
- Slipcover

**Slipcover note:** Your slipcover ships folded. If you would like to get the wrinkles out before assembling, place the slipcover in a dryer on medium heat for 15 minutes with a damp towel. Then assemble.

### ASSEMBLY INSTRUCTIONS:

1. There is a zipper on the bottom of the slipcover. Unzip the slipcover and place the foam insert inside the cover, making sure the U shape is on top.
2. Fit the insert into the cover and zip slipcover closed.

### CARE INSTRUCTIONS:

To clean cover, remove interior parts. Machine wash cold with like colors. Use only non-chlorine bleach when needed. Tumble dry low. Replace interior parts in cover.
