## ROUND ANYWHERE CHAIR

Your Anywhere Chair ships in two boxes. The slipcover is shipped separately from the interior components. These assembly instructions assume you have received BOTH the slipcover and interior parts.

### **PARTS INCLUDED:**

- Bolster (cylinder shape piece for the arm)
- Seat
- Slipcover

**Slipcover note:** Your slipcover ships folded. If you would like to get the wrinkles out before assembling, place the slipcover in a dryer on medium heat for 15 minutes with a damp towel. Then assemble.

### **ASSEMBLY INSTRUCTIONS:**

There are two zippers on the slipcover, one at the bottom of the bolster and one at the bottom of the seat.

1. Starting with the bolster, place the bolster insert inside the slipcover in the top section of the slipcover. Fit the bolster into the end of each arm first, then press firmly to fit the remainder of the insert inside the cover.
2. Gently slide the bolster around inside the cover until it fits snugly and the fill is evenly distributed. Zip slipcover closed.
3. Place the seat (bottom) in the cover. The fit should be snug. Zip slipcover closed.

### **CARE INSTRUCTIONS:**

To clean cover, remove interior parts. Machine wash cold with like colors. Use only non-chlorine bleach when needed. Tumble dry low. Replace interior parts in cover.
